## INSTITUTE OF MATHEMATICS AND APPLICATIONS, BHUBANESWAR (GOVERNMENT OF ODISHA)

### ABOUT THE INSTITUTE

The Institute of Mathematics and Applications was established in the year 1999, by the Science and Technology Department, Government of Odisha with wide-ranging aims and objectives as notified in the Gazette No. 18, July 23, 1999 / SRAVANA, 1, 1921. This premier institute is well known for its unique teaching, research, and training activities. The vision of IMA is to generate, disseminate, and preserve knowledge in mathematical science and related discipline and to use this knowledge for promoting the welfare of the people. The aim of the institute is to strive for excellence and spread the culture of mathematical competence at all levels of society. Its serene environment and beautiful campus atmosphere provide a perfect setting for a professionally rewarding educational experience. The students are nurtured by competent teachers and the institute's progress is monitored by a body of renowned academicians. After completing the course, the students of this institute prefer to build their careers in academics and industries. Many students get themselves absorbed in reputed R&D institutions, foreign Universities, and MNCs.
